# SENIOR DEADLINE INFO

★ We offer a variety of sessions to create and capture your individual personality and style. If you decide to have a "Traditional" or "Yearbook only" session, your appointment date and time are listed on this booklet's mailing label on the back. If you are NOT able to keep this appointment, please call our studio to reschedule at 661.940.5657. If you would like to upgrade your session to the "LifeStyle", "Personality" or "Deluxe" session please call for a new appointment as these require additional studio time.

Senior portraits are taken in the summer prior to your senior year as they are the first deadline of your yearbook. We recommend that you book early to receive your ideal session date and specials.

After you are photographed and view your photos in our studio, we submit your yearbook selection to the school for you.

Students who re-schedule their appointment too close to the yearbook deadline will not be able to make their own choice for the yearbook. O'Connor Photography will submit a studio choice to the yearbook. ★
