It's Time to Let Your Personality Shine!

Welcome Seniors!

O'Connor Photography congratulates and welcomes you to your Senior Year! The upcoming year marks a significant turning point in your life and your senior portraits will serve as a symbol of that achievement. Our staff will be by your side to help you capture this milestone.

We want the time you spend with us to be a fun and exciting experience, resulting in beautiful senior portraits you will be proud to share with your family and friends. This booklet will answer any questions you may have about our portrait sessions and related services.

In addition to our FREE Yearbook Session, we offer the BEST in Complete Senior Portrait Services. With over 50 years in the business, we offer a friendly, no hassle environment.

What else do we have to offer?

- Creative options in the studio and on location.
- Professional studio and LifeStyle photographers.
- A variety of packages for ordering your photos.
- A friendly staff who will help you look your best!

Senior Deadline Info

We offer a variety of sessions to create and capture your individual personality and style. "LifeStyle", "Personality" or "Deluxe" sessions are a great value and give you additional studio time.

Senior portraits are taken in the summer prior to your senior year as they are the first deadline of your yearbook. We recommend that you book early to receive your ideal session date and specials.

After you are photographed and view your photos in our studio, we submit your yearbook selection to the school for you.

Students who re-schedule their appointment too close to the yearbook deadline will not be able to make their own choice for the yearbook. O'Connor Photography will submit a studio choice to the yearbook.
